

Turn Your Weakness Into A Strength

Think positive:

...And lest I should be exalted above measure through the abundance of the revelations, there was given to me a thorn in the flesh, the messenger of Satan to buffet me, lest I should be exalted above measure. For this thing I besought the Lord thrice, that it might depart from me. And he said unto me, My grace is sufficient for thee: for my strength is made perfect in weakness. Most gladly therefore will I rather glory in my infirmities, that the power of Christ may rest upon me. Therefore I take pleasure in infirmities, in reproaches, in necessities, in persecutions, in distresses for Christ's sake: for when I am weak, then am I strong.

2 Cor 12, 7-10

And we know that all things work together for good to them that love God, to them who are the called according to his purpose.

Rom 8,28

How to Turn Your Weakness Into A Strength:

Sometimes our biggest weakness can turn into our biggest strength, which often leads to being our contribution to the world!

When we struggle with something, it doesn't necessarily mean we are a failure. Sometimes I think that struggle and thing that is your biggest weakness turns into YOUR niche that helps to solve the solution to other people!

So if you don't know what you are passionate about, tune into your biggest struggle, the thing you find the hardest and go out and do it, study how to overcome it and share the knowledge. It could change your life.

Here are some simple ideas to practice the habit of turning your weaknesses into your strength, because when we do things that take us out of our comfort zone, we expand our mind and see things from a completely new perspective.
